Opposition to Bill 69

Please Oppose Bill 69 for many reasons:

* We spend millions selling Hawaii for billions in return for among other things the beauty in these Islands.

* We should not allow laws that protect us from distastefulness or potential distastefulness to be compromised.

* The argument that "we need the money" can be used for anything. The City will always need more money for one thing or another.

* Oahu should not sell out as other cities have and end up with rolling bill board nightmares that grow like a cancer on to just about any surface agencies can negotiate for.

* I have personal distaste for advertising over kill and will not watch TV any more. The last thing I want to see are personal hygiene advertisements rolling by all day long.

Lets keep it clean, green and beautiful. This is a special place ... not Las Vegas ... not New York.

Mahalo for your considerations, Bob Leinau
